Re: Donation for New Rifles

Dear Dr. DePaco,

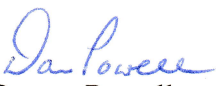

On behalf of everyone at the Hillsborough Township Police Department, please accept our sincere appreciation for your generous donation. This money will be used to purchase rifles which will enable us to deploy a rifle in each of our patrol vehicles.

Gifts from donors like you provide the financial and moral support needed to continue our mission. With your faithful financial contributions and support over the years, you continuously demonstrate your deep commitment to the challenging work of law enforcement officers. You are a true champion of the Police Profession.

With our budgetary constraints, the purchase of these rifles would not have been possible without your \$10,000 donation.

Thank you again for your continued support of the Hillsborough Township Police Department.

Sincerely,

Darren Powell
Chief of Police
