Summit Nutritionals International  
29 Rockaway RD  
Lebanon, NJ08833

Dear Summit Nutritionals International:

On October 14, 2014 I lost my previous partner of six years, K9 Mia, single purpose narcotics detection K9 at the age of 9 years old due to cancer. In December 2014, K9 Loki (donated by Summit Nutritionals International) and I were partnered together. At that time K9 Loki was a very hyper and driven 17 month old German Shepherd dual-purpose narcotics and patrol K9.

Now K9 Loki is 4 years old, with a lot of deployments in his career. By putting 1 to 2 tablespoon of Droi-Kon on Loki's food per day, over the last several months, I have noticed his stamina for work has increased, as well as his overall health. I have recommended this product to every K9 handler within our K9 Unit. Our handlers immediately started using Droi-Kon, by putting it in our K-9's food on a daily basis. Within a few weeks, they have noticed their K-9s activity level increased.

Again, thank you for your guidance and advancement in the health of our K9's. I would like to express my appreciation and gratitude for your generous donation of the Droi-Kon Chondroitin Sulfate that you provided for our K9 program. This is an integral part of keeping our community safe in Roanoke, Virginia.

Sincerely,

Sergeant Michael Thompson  
Roanoke Police Department
