Dr. Caesar DePaço
Summit Nutritionals International,

On February 2, 2018 the DeLand Police Department received a shipment of Droi-Kon from Summit Nutritionals International.

Since day one I have been giving my K9 partner Daro 2 teaspoons of Droi-Kon on his food daily. Daro has been a major asset to the DeLand Police Department and with adding Droi-Kon to his food daily, I know that his joint will remain healthy during the rest of this career.

Daro has not skipped a beat when it comes to feeding time, even with me putting Droi-Kon on his food. The product quality is like no other of this supplement and mixes with his food very well and apparently has no taste.

The DeLand Police Department K9 Unit will continue to give Droi-Kon to our dogs as we are committed to the health and wellness of our dogs.

Dr. Caesar DePaço and Summit Nutritionals International have proven that they are also committed to the health and wellness of Police K9's across the world.

I Corporal R. D. Cody of the DeLand Police Department support Droi-Kon 100%!

Respectfully,

Corporal R. D. Cody
K9 Unit Supervisor
