Ormond Beach, FL 32174

Dear Dr. DePaco

The Ormond Beach Police Department accepts your generous donation of \$10,000.00 dollars for equipment and training needed for the department's newly formed Special Response Team. A team of this nature requires specialized tactical training and equipment.

Your gracious donation will allow our department to purchase equipment/training and to re-allocate funds to meet additional needs within the department.

Your continued support for law enforcement locally and across the United States is truly appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read "JG", written over the printed name.
