Dr. DePaço,

As always, it was a pleasure seeing you and Mrs. Padovani-DePaço recently at the Holmdel Township Police Department ceremony honoring and thanking you both for the donation of K-9 Xander to our Department.

K-9 patrol training comes with an amount of certain inherent risk of injury to the dogs and as K-9 Xander trains to obtain his patrol K-9 certification, minor injuries are inevitable. In preparation to mitigate these injuries, I intend to continue a strict regiment of Droi-Kon Chondroitin Sulfate for K-9 Cairo and K-9 Xander in their daily feeding to ensure they enjoy a long, healthy, pain-free law enforcement career and subsequent retirement.

I have been giving Droi-Kon Chondroitin to my K-9 partners religiously over the past four years and truly believe in, and highly recommend your product.

Respectfully,

*Joseph H. Van Pelt, Sr.
K-9 Handler
Holmdel Twp. Police Department*
