Dr. Caesar DePaço,

It is with great appreciation that I write this letter for the anticipated additional donation of \$1,000 to cover the cost of the kennel for our K-9 program. This will greatly enhance the canine's living quarters throughout all the seasons we experience here in Estes Park. The Estes Park Police Department is an accredited agency with CACP (Colorado Association of Chief's of Police) and in full compliance with Municipal, State and Federal Regulations.

This is an exciting time in our department with the launch of the new K-9 program and we are fortunate to have your support and your generosity will greatly enhance the safety of our community for the residents and visitors of Estes Park.

If you have any questions please do not hesitate to call me at 970-577-3825

Respectfully,

Wes Kufeld  
Chief of Police  
Estes Park Police Department  
Estes Park, Colorado
