Dear Dr. DePaco,

A few months ago, you contacted me to extend the offer to donate an additional fully equipped canine vehicle to the Hillsborough Township Police Department. The generosity and support that you and your family continue to provide our Police Department is overwhelming and is truly appreciated.

The Mayor and Township Committee have given their approval for me to accept this generous donation on behalf of the Police Department.

Due to budget constraints as a result of the current Covid-19 crisis, this donation could not come at a more opportune time.

I look forward to honoring you for your generosity and support at a future Township Meeting when this current pandemic ends and allows us to do so.

Sincerely,
