RE: Donation**

Dr. DePaço,

On behalf of the Peapack & Gladstone Police Department, I want to extend our sincerest gratitude for the generous \$100,000.00 donation from the DePaço Foundation. We plan on using your extraordinary contribution for the purchase of a new patrol vehicle. This will bring our fleet to a total of seven patrol vehicles. With the impending population increase due to current and future building, we will be in dire need of this additional patrol vehicle.

Your unprecedented support allows us to enhance the safety and efficiency of our operations. This also directly benefits the entire community we serve. Due to your generosity, we will be able to outfit this vehicle with state-of-the-art equipment. This permits us to further our mission of maintaining public Safety with the highest level of professionalism.

We cannot thank you enough for your continued commitment to our agency. Your support is a true testament to the value you place on all of law enforcement. We are extremely appreciative of you and the DePaço Foundation for your backing, and we are honored to partner with you to serve the public.

With the sincerest appreciation,
